Subject: West Lake OU 2 RAO Memo

The attached letter gives EPA's approval of the Remedial Action Alternatives Memo with comments. The comments are intended to clarify what we expect to see in the FS report. According to our letter agreement, Bridgeton will submit the draft final FS in 60 days. That calculates out to April 1st, which is a Saturday, so lets say Monday

April 3rd. Please call If we need to discuss any of this along the way.

Thanks,

Dan
